Dear Mr. Young:

Your support helped make the NYSAWMD's "Day in Albany" a great success. Our success could not have been possible without your valuable assistance. It is increasingly difficult to continue as a viable industry with legislators attempting to unreasonably regulate the sales of our products.

The distributors are an essential link in the chain from manufacturers to consumers. We must make every effort to prevent unreasonable regulatory and tax policies that would impede our ability to market and distribute your products.

On behalf of the distributors and their employees, I thank you for your most valuable support in this effort.

Sincerely,

Arthur H. Katz
Executive Director
